

Black Friday Spend and Save up to $1,000

Terms & Conditions

1. Promotion period

The Black Friday Spend and Save up to $1,000 promotion ("Promotion") is available for purchases made from Thursday 26 November 2026 at 5:30pm until Wednesday 2 December 2026 at 9:00pm (New Zealand time), inclusive.

2. Eligible products

- The Promotion applies to eligible models across the following categories: TVs, audio, refrigeration, washing machines, dryers, dishwashers, ovens, cooktops, rangehoods, small appliances and floorcare ("Eligible Products").
- Eligible Products are any model in those categories listed on the 100% Home website at the time of sale, while stocks last.
- Some Eligible Products may be flagged with a green "Black Friday Spend $1,000+ & Save" tag.

3. How the discount works

When Eligible Products are purchased during the Promotion period, customers will receive a discount based on the total spend on Eligible Products in a single transaction, as follows:

- **Spend $1,000 or more – save $50**
- **Spend $2,000 or more – save $100**
- **Spend $5,000 or more – save $250**
- **Spend $10,000 or more – save $500**
- **Spend $20,000 or more – save $1,000**

Spend on Eligible Products from different categories may be combined in a single transaction to reach a spend threshold. Only one discount tier applies per transaction – the highest tier reached.

4. Pricing basis

- The spend threshold is determined using the 100% Home website price of the Eligible Products at the time of purchase.
- The Spend and Save discount applies after any adjustment to the website price, including a Market Matched Price.

5. Exclusions

The following are excluded from the Promotion:

- Products that are not Eligible Products (outside the categories listed above)
- Commercial sales
- Ministry of Social Development (MSD) transactions
- Gift cards
- Service-related charges, including but not limited to delivery, installation, removal of old appliances, and packaging removal
- Finance – no finance offer forms part of this Promotion

6. Online and in-store purchases

- The Promotion applies to purchases made online or in-store.
- Online: the correct discount is applied automatically when Eligible Products are added to the cart.
- In-store: the salesperson applies the discount at the till when the sale is written up.

7. GST

All prices and discounts are inclusive of GST.

8. Returns and refunds

- If an Eligible Product purchased under the Promotion is returned, the Spend and Save discount will be deducted from the refund amount. If the return takes the transaction below a spend threshold, the discount tier may be recalculated.
- Refunds will be based on the actual price paid for the returned product.

9. Combination with Other Offers

This Promotion cannot be combined with any other offer, discount, or promotion, including retrospective price matching, unless expressly stated otherwise. An exception applies for AA Members, who are eligible to receive an additional 5% discount on top of this Promotion, subject to the AA Member discount terms and conditions.

10. General

- The discount applies only to Eligible Products purchased during the Promotion period.
- We reserve the right to amend, suspend, or withdraw the Promotion if circumstances beyond our reasonable control require it.
- This Promotion is subject to the consumer guarantees under New Zealand law.
