

SleepMaker®

SYMPHONY *Plush*

New Zealand Wool & Silk

Natural wool and silk fibres help to improve airflow and breathability in the mattress.

Dunlop Foams

Dunlop Foams is produced in NZ and provides exceptional comfort and long lasting, durable support.

FusionGel+

This new generation of gel infusion foam technology provides great support and helps to dissipate heat.

Latex Gold

Latex within the mattress's quilting has natural anti-bacterial and anti-fungal properties, located in close proximity to the sleeping surface for maximum benefit.

Comfort Edge

Solid foam edge provides support right to the edge of the mattress which reduces the roll out feeling.

Pocket Spring Sleep System

Full height, NZ Made pocket springs sit independent of each other in the mattress, so only those springs in direct contact with the body move to provide support where needed.

Allergy Control

Ultra-Fresh offers a fresher, cleaner and more hygienic sleep experience.
